A jam packed week of fun & excitement. Fun & Fitness Camps include sports, games, arts & crafts, and swimming at the CARI Complex.

MULTI SPORT CAMP

Learn new skills and try different sports including basketball, volleyball, soccer, badminton, squash, racquetball, athletics and daily swimming.

EXTREME SPORTS

Learn new skills and try out some Extreme Sports like fencing, archery, cricket, lacrosse, football, rugby and squash. Enjoy special sessions on fitness and nutrition and daily swimming.

DESIGN DIVAS

Are you interested in the latest fashion trends?

In this Girls Only Camp you will learn how to:

- *Use a sewing machine by making a sewing project designed for beginners
- * Embellish stationery, cards/envelopes with creative and fun rubber stamping techniques
- *Make a memory board to display your favorite photos or keepsakes
- *Learn how to crochet a hat or scarf
- *Learn how to work with beads to create bracelets and necklaces
- *Learn how to scrapbook
- * Along with other great projects

DANCE CAMP

So you think you can dance OR NOT? Come enjoy a fun week of Jazz/Funk and hip hop to learn the latest moves and have a whole lot of fun. This camp is designed for the beginner dancer.

SCIENCE CAMP

Young Einstein's love the exciting world of physical sciences. Science comes alive with hands-on experiments in biology, chemistry, engineering, and geology.

SHUTTER BUGS

Children will learn how to take and display digital photographs, then into the computer lab to explore the creative possibilities of photography and photo manipulation.

ROBOTICS CAMP

Robotics camp is a fun and energetic, hands-on opportunity for kids to design, build and program a variety of different robots from a simple to more complex robot using the LEGO NXT Robotics System - a new generation robotics invention system featuring state of the art ultrasonic, sound, light and touch sensors in the next generation of intuitive robotics.

ART CAMP

Young Da Vinci's feel enabled as they explore the world of the Arts. Children paint, sculpt and design using traditional and nontraditional methods.

GIZMO'S AND GADGETS

Do you like to build things? If you answered yes than this camp is for you. Children will explore how things move, building go-carts and mini robots and all kinds of Gizmos and Gadgets from recyclables.

SOMEONES IN THE KITCHEN

If you like to cook this camp is for you. Students will create scrumptious delights, from soups and salads to entrees and desserts. Exploring food from different cultures, through themes you will master a variety of cooking styles and techniques, all leading up to a magnificent banquet you will create, serve and enjoy together. Bon appetite!
