

STUDENT-ATHLETE ACKNOWLEDGEMENT and CONSENT FORM

Participation within Canadian Interuniversity Sport (CIS) is a privilege that requires full compliance with CIS regulations, including CIS Eligibility, Athletic Financial Awards, and Doping Education & Control Regulations. Student-athletes are responsible for obtaining these regulations from their coaches and/or Athletic Department and to inquire how their respective circumstance relates to each. A copy is also available at www.cis-sic.ca

ELIGIBILITY AND ATHLETIC FINANCIAL AWARD REQUIREMENTS FOR STUDENT-ATHLETES:

It is critical that student-athletes familiarize themselves with the CIS Policies and Procedures entitled "Eligibility" and "Athletic Financial Awards". Student-athletes are responsible for obtaining these rules from their coaches and/or Athletic Department and to inquire how their respective circumstance relates to CIS eligibility and athletic financial award requirements. This is important, as student-athletes need to be aware that those who participate in CIS competition and are found to be in violation of CIS Rules, may, among other sanctions, forfeit their eligibility for the remainder of the current competitive year and subsequent years.

ANTI-DOPING REGULATIONS:

CIS is unequivocally opposed to any doping practices by student-athletes or by individuals in positions of leadership in amateur sport (i.e. coaches, medical practitioners, sport scientists, administrators, team managers, etc.). This not only includes presence in a sample of a substance or method prohibited by the World Anti-Doping Agency (WADA) but also:

- Use or attempted use;
- Refusing or evading;
- Athlete availability, whereabouts information and missed tests;
- Tampering or attempted tampering with any part of doping control;
- Possession of prohibited substances and methods;
- Trafficking or attempted trafficking;
- Administration or attempted administration.

Every athlete who participates in CIS training or competition is subject to doping control. Each CIS athlete is required to sign the "CIS Athlete Acknowledgement and Consent Form (AAC)" indicating their understanding of, and adherence to, CIS Anti-Doping Policy, and which includes their consent to doping control for a period of 18 months as of the date of signing. Failure to complete and sign the AAC form may result in an athlete's ineligibility for participation in any CIS program(s) but will not preclude doping control if the athlete has participated in any CIS training or competition. Sanctions for anti-doping rule violations are as specified in the CADP (available at www.cces.ca), except as modified by CIS Policy (available at www.cis-sic.ca).

COLLECTION, USE AND DISCLOSURE OF INFORMATION:

In consideration of being permitted to participate in Canadian Interuniversity Sport, student-athletes allow CIS to:

- disclose their personal information, including telephone number(s) and address(es), to the Canadian Centre for Ethics in Sport for its use in the conduct of the CIS Doping Control Program;
- use and disclose the information on the Athlete Registration Form and the Eligibility Certificate as well as their photograph and information about their athletic performances for promotional purposes which, as defined by the CIS Board of Directors, are in the best interest of the student-athlete or in the best interest of the public;

As part of its developmental and promotional partnerships with professional and national sport organizations, CIS will also disclose from time to time, telephone numbers and addresses only of current CIS student-athletes to such other organizations involved in the recruitment and drafting of athletes.

Subject to the following paragraph, I understand that by providing the personal information requested in the Student-Athlete Registration Form and the Eligibility Certificate (hereinafter "my Personal Information") I am consenting to such information being used and disclosed in the manner provided for above. I also understand that CIS is responsible only for information that is in its custody or control and that any information collected, used or disclosed by or under the control of a member of CIS or any other organization is subject to the privacy practices and procedures of that member or organization, as the case may be.

By checking this box , I do not wish my Personal Information to be disclosed for the purposes listed above or for the purposes described in CIS' Personal Information Protection Policy, except for the purpose of administering the Canadian Interuniversity Sport Doping Control Program. By doing so however, I recognize that CIS may not be able to provide me or continue to provide me with some products, services or information which may be of value to me.

ATHLETE ACKNOWLEDGEMENT:

By signing this form, I acknowledge that I have read, understand and will abide by Canadian Interuniversity Sport Eligibility, Athletic Financial Awards, and Doping Control Regulations. I also acknowledge having read CIS' Personal Information Protection Policy and understand the contents thereof.
