## Local, Regional and National Hosting Facility

The UPEI Sports Centre is a national calibre facility which opened in February, 1990 – one year before hosting the 1991 Canada Winter Games.

Although designed and built as a national calibre athletic facility, the insight and flexibility provided by the facility planning committee has provided P.E.I. with a national calibre "multi-purpose" facility! UPEI has a vested interest to work with the community to see that as many events as

possible come to P.E.I. We also have a commitment to provide quality and friendly service to all our users.
