If the application is selected for institutional nomination to Banting, the Faculty of Graduate Studies will work with the applicant and their supervisor to prepare the institutional endorsement letter.

The applicant will also be required to complete and attach the signed Fulfillment of Degree Requirements Form, and arrange for three (3) referee assessments.

Note: Although referee assessments are not required for the UPEI internal adjudication, applicants should contact their selected referees in advance to seek their agreement to provide an assessment well before the application deadline date. It is the applicant's sole responsibility to follow up with referees to ensure the assessments are submitted prior to the deadline date and therefore ensure the application completeness.
