

Chatteris International Graduate Programme in Hong Kong

ORGANISATION:	Chatteris Educational Foundation
ORGANISATION INFORMATION:	The Chatteris Educational Foundation is a non-profit charitable Organization which helps Hong Kong students improve their English, promotes cultural exchange and develops young leaders with a global vision. Chatteris works in partnership with schools across Hong Kong to sponsor recent graduates from around the world to experience a year of personal and professional development. This year we have 101 university graduates mainly from the UK, with some from the U.S., Australia and Canada placed in Hong Kong schools.
JOB TITLE:	Chatteris English Tutor
JOB DESCRIPTION:	<p>The Foundation operates the Chatteris International Graduate Programme that allows university graduates from any discipline to contribute directly to the life and learning experience of Hong Kong students. As a Chatteris English Tutor, you will be placed full time in a local school to help improve the English language environment and motivate students to speak English. You will also have the opportunity to develop a lasting insight into Hong Kong and Chinese culture and to form lifelong international friendships with the team of Chatteris English Tutors working alongside you.</p> <p>Teaching in a Hong Kong school environment is a challenging and rewarding experience. Chatteris English Tutors develop many valuable skills, such as confidence, flexibility, patience, communication and an appreciation of cultural diversity. In addition to professional in-school experience, the Chatteris International Graduate Programme offers further opportunities, including project management, career development and community work. These initiatives provide graduates with skills that can be easily transferred to any future career. Extensive support and training is provided throughout the year. Additional opportunities are available to support those who would like assistance in bridging the gap from English tutor to a qualified TESOL teacher.</p>
