

Job title: Agricultural Accounting Technician

Location: Central Prince Edward Island

If you have an interest in the business side of farming and, specifically, accounting and bookkeeping, this is a career opportunity of interest to you. You will provide on-site bookkeeping and office management services for existing farm and other business clients. You must be comfortable working on your own, have a valid drivers license and a basic knowledge of accounting and agriculture. You will work with two different desktop accounting programs and cloud based accounting software. Training and support in the job are provided. This job is flexible, and part time to full time. The business is located near Kensington, Prince Edward Island and the area served is central and western Prince Edward Island. Please submit a resume and cover letter to ronda@likenobodysbusiness.ca by 5:00 p.m. Friday, October 25, 2019. Interviews to be held in the early part of November. Only those selected for an interview will be contacted.
