

Accelerate Your Entrepreneurial Journey with Venture for Canada

Entrepreneurially-bent grads want to excel at dynamic startups. Growing startups want energized contributors ready to hit the ground running. Now there's a program that connects you.

The Venture for Canada 15 month Fellowship Program offers post-secondary recent grads the opportunity to develop entrepreneurial leadership skills through full-time employment and training.

As a Venture for Canada Fellowship Member you'll get access to:

- **Job Board & Connect Events**

We know finding a full-time job is at the top of your list, that's why we make it easy to connect with hiring startups across the country through our online Job Board and in person Connect Events. Our Partner Startups pay competitive full-time salaries and work across various sectors, providing you a wide range of employment opportunities.

- **Training Camp:**

Hosted at Queen's University in Kingston, ON our Training Camp provides you with the skills you need to hit the ground running. It's not all work and no play — our social activities not only break the ice, but build lasting friendships.

- **Community**

From career advice to finding a new roommate, the [#VFCCommunity](#) has got you covered. You'll join a diverse group of like-minded individuals, each passionate about entrepreneurship and making an impact.

- **Ongoing Training & Support**

We're in this together! We've developed our Fellowship Roadmap to help you continue to grow your skills and knowledge throughout your 15 month journey with access to customized LinkedIn Learning and online and in-person training.
