

Koloa Solutions, as an **approved supplier** to the Government of Canada, has been asked by **Fisheries and Oceans Canada (DFO)** to provide a **contractor** to work from the date of contract award (anticipated as the beginning of December) to March 31, 2021, with the potential of a one-year option period post March 31, 2021.

The contract **work can be performed remotely** from anywhere in Canada. Please note though that work hours will be within **Atlantic Standard Time (GMT -4)**.

As per DFO, the mandatory requirements of the position are as follows:

1. **A Graduate Degree** in a discipline related to one of the following:
  - Fisheries
  - Aquaculture
  - Ecology
  - Biology
  - The environment
2. A minimum of three years experience (can be academic and/or work) using and developing **R code, R Markdown, and Shiny Apps**.
3. Experience **delivering and developing training materials** and documentation of R code to be assembled as an R package.

Eligible and interested candidates are asked to please email their resumes **by Wednesday November 25, 2020** to [arlene.hall@koloasolutions.com](mailto:arlene.hall@koloasolutions.com). Selected candidates will be then contacted and further details such as rate will be discussed.
