

JOB POSTING

Company: University First Class Painters

Title: Student Manager

Description: We are CURRENTLY hiring for summer 2021! Apply Now!

Our Student Managers gain the following:

- Sales, marketing, and project management skills
- Hands on management experience
- Access to an established business manager mentor
- Networking opportunities
- Interpersonal development
- A lifelong skill set
- And our average student manager earns \$21 558 in one summer

Why spend your summer doing boring tasks for low wages when you could manage a business and earn much more than you would with an average summer job? Become a Student Manager with one of Canada's most progressive student employers!

Our position will provide you with the know-how to manage a successful summer business, will help you to develop your interpersonal skills and give you a competitive experience advantage when it comes to starting your career! Students go through an in depth interview process to make sure they are a suitable candidate and if selected, participate in our management training program held over three weekends during February and March.

We are looking for ambitious, motivated, competitive, confident students with a great work ethic! You must also have a valid driver's license and access to a vehicle for the summer months.

This position can grow with each year of your degree; enhancing your skills, increasing your financial rewards and building credentials that will put you ahead of your fellow classmates come graduation time. Not to mention the travel perks and incentives that our most successful student managers can earn!
