

Communications Assistant

Eversea Inc., a leading biotech company in algae technology, is looking for a **part-time** Communications Assistant to support our Communications and PR activities.

Scope of work:

- Developing communications strategy
- Building company profile
- Managing investors relation
- Managing email marketing campaigns
- Conducting market research
- Performing content creation

About you:

- Creative and ambitious
- Interested in entrepreneurship
- Can-do attitude
- Tech-savvy and data-driven
- Require minimal supervision

Nice-to-have: French language and/or design capabilities are not required but desired

Location: fully remote

We offer:

- Competitive salary and benefits
- Possibility to extend the offer after graduation (for students)
- Huge learning opportunities from industry leaders and international partners

Both students and recent graduates are welcome to apply.

To apply, please send your resume alongside a cover letter to van.ngo@eversea and garth.greenham@eversea.ca.

Deadline: October 10th, 2021

For more information about us, please visit eversea.ca and solarvest.ca.

Please be noted that only qualified candidates will hear back from us; sorry for any inconvenient this causes.
