

## **Part time STEM Teacher**

Newly setup business, Smart STEM learning Centre is looking to hire a suitable teacher to deliver the class

### **Full Job Description**

Would you love a job where you can do science experiments with lovely kids? We are currently seeking teacher for a part time STEM (Science, Technology, Engineering and Math) instructor for ages 6-13 in the O'Leary. Main responsibility is to deliver the lesson either on-site or online. The right candidate will have the ability to motivate the student's critical-thinking abilities and develop problem-solving skills.

### **Qualification**

- Bachelor degree required.
- Prior teaching experience required. Experience in designing STEM curriculum is plus.
- Confident, energetic, and assertive experience managing and teaching children ages 6-13 in-person and online. Ability to teach online and practice technology-related methodology in remote teaching
- Flexible teaching schedule (weekday after school or weekends)

**Job type:** Part time

**Schedule:** The position will require 15-18 hours per week

**Pay:** \$22.00 - \$25.00 per hour

**Work location:** O'Leary, PE

Closing Date: 31 October 2021
