

COMMUNITY CARE SUPERVISOR

Situation

Andrews Senior Care is looking for an LPN or Nursing Student to provide comfort and care to our residents and their loved ones.

Background

At Andrews, we are in the business of caring. We care about our residents, our communities, and our team members. We're here to make each resident's journey as positive and memorable as possible.

We offer competitive wages with a starting point of \$ vs Health PEI's \$. Beyond that, we offer you a home where you are not just an LPN Supervisor but a respected and valued member of our team. You'll have a hand in making the most vulnerable years of a person's life, some of their very happiest ones.

Assessment

Benefits

- Health, Dental, Life Insurance and Long Term Disability coverage, including 100% coverage on most prescription drugs
- Company pension plan with matching contributions
- Company and partner discounts on home heating oil, gasoline, and restaurants.
- Subsidized fitness membership
- Internal Leadership Development program, online learning management system with in-house dedicated learning and development team members

Responsibilities

- Promote healthy living, including physical and mental activity, healthy eating and resident engagement
- Assist residents in addressing everyday personal needs such as toileting, bathing and grooming
- Perform nursing interventions such as taking vital signs, applying aseptic techniques including sterile dressings, ensuring infection control, monitoring nutritional intake and conducting specimen collection
- Administer medication
- Maintain charts and care plans in a timely and professional manner
- Communicate changes to resident's health, needs and living conditions
- Respect the residents' confidentiality and privacy
- Collaborate with RN's to ensure the best care of residents
- Supervise Caregivers
- Promote a positive, friendly, safe, and healthy environment for all staff and residents.

Requirements

- Licensed to work as an LPN, RCW, Former RN or Nursing Student
- Excellent work ethic and proven ability to multi-task
- Pleasant bedside manner
- Meticulous attention to detail
- Self-motivated and career-focused
- Strong communication and interpersonal skills.
- Proficient with venipuncture, catheter insertion, injections, etc.
- Physical ability to push/pull/lift up to 50 pounds, twist/bend, and stand/walk for extended periods.
- One year of experience working as an LPN is considered an asset.

We operate in a collaborative health care model. You'll be part of a team that includes a Director of Care within a home that also employs RNs, RCWs, Caregivers, Dietary Aides, Housekeepers, Activity Coordinators, and administrative support.

Recommendations

If you consider nursing more of a calling than a job, if you're prepared to lead by example, and if you align with our core value of caring, we want to hear from you... **stat**. Please submit your resume and a cover letter to careers@murphyhealthcare.com telling us why you believe you're the rockstar we're looking for.
