WHY CHOOSE MRSB?

MRSB is a progressive, forward thinking professional services firm with offices in Charlottetown, Summerside, O'Leary and Souris. We continually strive for excellence and pride ourselves on delivering high quality services to exceed our client's expectations.

We have a long history of working closely with UPEI and we're quite proud to employ many UPEI graduates. We think with the quality of learning you receive at UPEI, combined with the hands-on experience at MRSB, will provide you with a great opportunity to kick start your future careers.

At MRSB, we work hard but we know that having fun and recognizing successes are equally as important. Whether we're getting to know each other over coffee or taking part in the firm's Feel Good Friday events, we believe team building and collaboration is just as important as the work that gets done day in and day out. In fact, we encourage you to check us our social media pages where we like to share who we are and what makes us PEI's leading professional services firm.

THE OPPORTUNITY

We are seeking a post-secondary student that may be interested in pursuing a career as a Chartered Professional Accountant (CPA). The student employment activities include some of the following activities:

- Preparation of personal and corporate income tax returns

- Other opportunities based on student's abilities across a multi-divisional firm

The skills we expect you to have are the willingness to apply your skills that you've learned at UPEI, a positive attitude and a strong work ethic. We're committed to teaching and mentoring students so that you can grow professionally and develop your skill-set.

If this sounds like an opportunity you would like to explore, we'd love to hear from you to share more about your future with MRSB. We encourage 3rd and 4th year students to apply or anyone considering a career in the accounting field. Please send your resume and cover letter to careers@mrsbgroup.com by October 29th, 2021.
