

## Core Camp Counsellor

### Timeline

Three to four month contracts (between May and August) exact start date to be determined  
Accommodations and meals are provided in addition to pay.

### The Role During Camp Sessions

Helping to lead activities and building relationships with the campers while looking after their needs as a part of the core team of staff (Directors, Program and Activity Coordinators).

The core staff is a passionate and cohesive group of people who enrich the experience of the campers and gain valuable, transferrable work experience in the process. Camp is a unique work atmosphere where employees learn “real world” job skills. Core counsellors live on site and are present throughout camp.

### The Role Prior to Camp Sessions

These duties include, assisting in the planning and organizing the camp programs, helping to prepare the facility and equipment before the camp session starts, assisting with events, assisting with new projects, assisting with fundraising initiatives, creating social media content, undergoing training, and running programming for visiting day and overnight groups.

### What We Look For

Committed, capable, passionate individuals who put the needs of campers first. Knowledge and ability to assist in a promoting a healthy life-style. People who enjoy collaborating with others and making a positive impact in the lives of young people. We want you to be engaged and excited about the camp atmosphere which drives and motivates the way you focus on delivering the best experience possible. We look for ability to work independently and within a team, energetic personalities, good communicators, the ability to take direction, flexibility and resiliency, and common sense.

### What we do at camp

Swimming, kayaking, archery, field games, drama, music, dance, sports (field and court), beach activities, arts & crafts, high & low rope challenge course elements, rock wall climbing, big group games, campfires, and more.

### What is Camp Triumph?

Camp Triumph provides a unique and unforgettable camp experience to children who have a family member with a serious illness or disability. Children, aged 7-16, congregate in this wonderful haven where they take a break from the challenging lives they face at such young ages. We provide therapy through FUN. Our campers take part in a balanced program that includes, physical activity, healthy eating, creative arts, self-esteem boosting, relationship building, and relaxation. Our staff plays a key role in enriching their experience.

### Where

Malpeque, PEI.
