

The Canadian Council on Rehabilitation and Work is a national non-for-profit organization. Youth The Future is federally funded by the Youth Employment and Skills Strategy. Youth The Future is a program that partners with young adults between the ages of 15-30 living with disabilities and pairs them with employers to ensure a successful transition in the workplace. This program works well for youth who are facing difficulties finding work because of their disability or lack of relevant skills.

We are always looking for community partners who can promote our program and refer clients to us for employment support. Please feel free to share this program as our next cohort will begin on **Nov 28, 2022**

Here are some Key highlights about the Youth the Future program:

- YTF is a PAID youth program, we pay minimum wage
- 22-week employment program for youth between 15-30 years of age
