

Ocean Bridge

IT'S FREE!

Are you between the ages of 19 to 30? Passionate about the ocean and marine life?

Do you want to learn new skills, make a difference to ocean conservation and level-up your career?

Ocean Bridge provides opportunities to work together and learn from experts in marine conservation and education through an online platform and two in-person learning journey to create projects related to ocean health to benefit communities across Canada. We welcome all backgrounds, knowledge and experiences. This is a 5-month part-time program that can be done while working a full-time job!
