

CLINICAL DIETITIAN | LONG-TERM CARE OLIVER, BC

Status: PERMANENT Part-Time (0.59 FTE)

Hourly Salary: \$34.46

Position Summary

We have a **permanent, part time** Clinical Dietitian opening with McKinney Place and Sunnybank Centre.

McKinney Place and Sunnybank Centre, located in Oliver, are long-term care homes embodying a resident-centered philosophy designed to support residents' choices, help people function at their highest level, and provide the best quality of life possible.

This position involves working in both long-term care sites providing nutrition care and support to patients and residents. Days and hours maybe flexible and to be determined with successful Clinical Dietitian. Requires College of Dietitians of BC Restricted Activity A.

Utilizing clinical techniques and knowledge, the Clinical Dietitian:

- Conducts nutrition screening and assessment utilizing established standards and guidelines and relevant biochemical, anthropometric, and dietary parameters.
- Based upon assessment and treatment modality, develops and implements client-centered nutrition goals and care plans. Prescribes diets, as appropriate, and communicates nutrition care plan and goals to the program/multidisciplinary team, including Food Services Staff where applicable.
- Evaluates and adapts the nutrition care plan by monitoring biochemical, anthropometric, and dietary parameters.
- Educates clients/families regarding the rationale and mechanics of the nutrition care plan.
- Acts as a resource person to the multidisciplinary/program teams and other health professionals in the hospital, community, and health service area.

Reasons to Join Interior Health:

- Eligible positions qualify for relocation support
- Comprehensive employer-paid benefits package
- Generous paid vacation entitlement
- Recognition of previous experience in determining starting salary

- Access to our in-house learning and development centre
- Employee Health and Wellness programs
- Access to exclusive discount offers and deals
- Employee pension plan
- Opportunities for career advancement
- Challenging and rewarding work environment

Interior Health offers many opportunities to maximize your skills. If you are an experienced Clinical Dietitian and want to be challenged in your practice while working with a solid and experienced team in a wonderful working environment, apply today!

Qualifications

- Baccalaureate degree in nutrition and dietetics.
- Successful completion of an accredited hospital based dietetic internship program (or equivalent acceptable to the facility).
- Registrant of the College of Dietitians of British Columbia.
- One year of clinical nutrition experience in a health care environment preferred.
- Valid BC Driver's License.

Comments
