

DAIRY FARM WORKER

ANNAPOLIS VALLEY AREA

Overview:

This is a third generation dairy farm, located in the heart of the Annapolis Valley, a five minute drive to the University town of Wolfville and a ten minute drive to the town of Kentville.

This would be an excellent experience for a student to sharpen his/her experience on all aspects of dairy farming, during the growing months or as a full time year round employee.

Experience and Work site environment

- Experience would be an asset especially operating equipment and doing tractor work, but would be willing to train those with less experience.
- Working with over 100 head of dairy cattle that are part of a Purebred Holstein Herd on milk recording.
- Early morning hours and occasionally evening hours when planting & harvesting are taking place.
- Majority of time is spent outdoors.

Responsibilities

- Handling cattle & assisting with the milking operation.
- Feeding & tending the cattle.
- Assisting with the planting & harvesting of field crops.
- Must pay attention to detail, especially where cleanliness is important handling milk products.

Basic Requirements

- **Must have a valid driver's license and own method of transportation.**
- **Must be able to get along well with others and be a team player.**
- **Be able to work variable hours, at least 40-60 hours per week and sometimes on one's own.**
- **Persons with severe allergies, asthma and breathing disorders should be cautious about applying for this position.**

Remuneration & Pay Expectations

- **Depending on qualifications & experience between \$16.00 and \$18.00 per hour but is negotiable.**
