

Clinical Psychologist

Position Overview

Calian is proud to provide our public and private sector clients across Canada with psychological assessment services for candidate selection. We are currently looking for Clinical Psychologists in the Charlottetown area to join our dynamic team!

When our clients who operate in high-risk scenarios are building their teams, they rely on Calian's network of Psychologists to conduct assessments to ensure their applicants are fit for the job.

Responsibilities

- You will be responsible for interviewing candidates who have previously completed written personality assessments, which are administered by Calian. After your one-on-one interview, you will complete a template with your findings. You will also have the support of our experienced Senior Consulting Psychologist.

Qualifications

- Must be licensed in and able to practice without any restrictions.
- Must have performed roughly a minimum of 25 psychological assessments, within the last 5 years of members of high-risk occupations. Acceptable examples of high-risk occupations include but are not limited to police officers, military, first responders, correctional officers, and armed border agents.
- Must have the following experience: A minimum of 24 months (equivalent of two (2) years) of experience performing psychodiagnostic assessments of adults in a clinical setting using Diagnostic and Statistical Manual of Mental Disorders (DSM) criteria; OR A minimum of 24 months (equivalent of 2 years) of experience performing psychological suitability assessments of members of high-risk occupations. Acceptable examples of high-risk occupations include but are not limited to police officers, military, first responders, correctional officers and armed border agents; AND minimum of 36 months (equivalent of three (3) years) of experience using the MMPI-2 or MMPI-2-RF in psychodiagnostic or clinical psychological suitability assessment.
- Master's degree or Doctorate in Psychology from an APA accredited institution

Additional Requirements

- Type of Contract: Casual - as and when required. Flexible schedule! We can work around your calendar to best accommodate your needs!
- Candidate must be fluent in English.
- \$210 per hour - as per the latest recommendations from the College of Psychologists of PEI
